

DEAR LOCAL BUSINESS OWNER AND NEIGHBOR,

This Christmas season, Outreach will host our Christmas Store in Warrenville on Saturday, December 5, 2026. This is a one-day event where families shop for new gifts for their children at 50–75% off retail prices. The Christmas Store provides an affordable and dignified shopping experience, empowering parents to choose meaningful gifts while celebrating the season together.

We invite businesses, churches, and organizations in our community to partner with us in making this event possible. Your support helps stock the store with quality gifts and strengthens Outreach's work with families throughout the year.

There are several ways you can participate:

- Make a financial donation to support the Christmas Store and Outreach's year-round work with families
- Purchase gifts from our online wish lists (items ship directly to Outreach)
- Donate gift cards, especially for teens
- Host a gift drive at your workplace or church
- Volunteer to help serve families during the event

Every act of generosity helps create a meaningful Christmas experience for families in our community while strengthening the relationships that make our neighborhoods thrive.

Thank you for considering how you might partner with Outreach this season. If you would like more information or would like to get involved, please feel free to reach out.

With gratitude,

ANGELA MAINS
Executive Director
